In the Notification of Non-Compliant Appeal Brief, it is indicated by the Examiner that "the Applicant must provide references to lines and page numbers when referring to the structure of the independent claims." Also, box 4 is checked. Box 4 refers to 37 C.F.R. § 41.37(c)(1)(v), which requires that the brief contain a concise explanation of the subject matter defined in each of the independent claims involved in

the Appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters.
